

Kevin & Kyra: On-Set Love!

When **Kevin Bacon**, 49, directed an episode of wife **Kyra Sedgwick's** hit TNT series, *The Closer* (airing August 13), he had a seat of honor: a director's chair reading KEVIN SEDGWICK on the back! The actor, who uses the chair whenever he visits his wife of 19 years, 41, at work, was a hit with cast and crew. "It's fun to have him on the set," *Closer* costar **Jon Tenney** tells *Us*. "And Kyra's so much fun when he's around." Fellow costar **Gina Ravera** agrees, adding: "He loves her so much. They're a fantastic team!"

"Kevin's so incredibly happy for me," Sedgwick has said.
